

DIABETES & ENDOCRINOLOGY OUTPATIENT REFERRAL FORM

- Please fax the form directly to the preferred physician's office.
- For URGENT referrals ONLY, to be seen by Consultant On Call, select section C and Fax to 519-646-6043. Clearly indicate why the referral is Urgent and provide supporting data.

Incomplete forms/missing information will result in delays. Referring physicians will be notified of the appointment (except for URGENT referrals, in which case we will contact the patient directly, due to time limitations).

Do not use this form for referrals to Diabetes Education Centre or Primary Care Diabetes Support Program
